

## TEACHER ONLY DAY - FRIDAY 19TH NOVEMBER 2021

### WELCOME

Welcome to a really warm Week 4. It is great that the weather is shining, the kids can play outside, and summer finally feels like it is knocking on the front door. With that in mind, the requirement for school hats becomes ever more prominent. Hats are our only uniform item and can be purchased at the school office. It is really important that these are named and stored safely in the classroom. If your child loses a hat please feel free to check the lost property and inform your child's classroom teacher. Also, if you have old school hats at home that you no longer require please feel free to drop them off at the school office. Much appreciated.

Please remember that our school will be closed on Friday 19th November for our Teacher Only Day. Teachers will be working on a range of ideas for the remaining parts of this year and into 2022.

A warm welcome to Poppy, Maddox and Cooper who have started in our Te Tipu suite. It is great to have you all here and wish you an amazing time.

### ROOM 5 & 17 TRIP

On Tuesday, Room 5 and 17 headed out to Timona Park for a fun day filled with sunshine, relays, scavenger hunts and of course a play on a very epic playground. Arriving at the park, we started the day with some team building activities, connecting to each other and learning about the different members of our classes and how to work together. After this, we participated in a bee-themed scavenger hunt to expand on our learning from our bee-inspired sensory areas. Finally, we wrapped up the day with a big play on the playground and an icy treat to help cool us down. A huge thank you to all the parent support who made this trip possible. We all had an amazing time. Check out the photo above right.

### ROOM 3 - SPACE

Room 3 have been exploring the concept of Space. This has really ignited the kids' curiosity and led to them exploring and researching planets and solar systems. Tom and Rhys made a visual representation of their planet findings. Check out the photo to the right.

### SCHOOL SPORTS UNIFORMS

Please please please... if you have school sports uniforms still at home it would be great if these could be dropped off at the school office as soon as possible. We are currently trying to collate these and plan for future teams. There are a substantial number that are missing. Thank you for your support.

## SCHOOL HATS ARE NOW COMPULSORY

INTEGRITY

## WATSON INTEGRITY

A special thank you to the team at Watson Integrity for recognising two of our wonderful students - Honour and Arorangi this month. Both students have been working really hard in their class. Well done!

## COMMUNITY SURVEY

As part of our involvement in the Kawakawa (Feilding) Kāhui Ako we would like to invite whānau of our learners to complete the survey on the link <https://forms.gle/cE6kpG6WcyNNv68fA>. This survey gives you an opportunity to provide your views on how your child's teachers and school are supporting their learning needs. The survey should take you about 5 minutes to complete. Individual students, teachers and schools will not be identifiable in the reporting of this survey as the data is anonymous. All Feilding schools will be completing this survey. It is a huge piece of work that will give us extremely valuable data to inform the teaching and learning programmes in our region. Thank you for your support.

## CAMP RAUKAWA

Recently, Rm16, Rm14, Rm1 & Rm2, Rm10 and R23, have all gone on a spectacular camping trip to Camp Raukawa! This particular camp consisted of several amazing activities e.g. rock climbing, archery, orienteering, kayaking, high ropes, UHF radio lessons and the Flying Kiwi! All the students of Lytton Street School have enjoyed these activities. During camp the students of our school have also made lifelong memories and friends, while showing great courage, responsibility, persistence & friendship to push themselves out of their comfort zones to do beyond amazing in their activities. I can imagine that their camp instructors were very proud. We hope this is not the last of our adventures and we look forward to the next breath taking experience. By Rapai, Room 16.

## JUNIOR SWIMMING

The Junior classes have been booked into the Learn To Swim indoor pool at Makino for 6 swimming lessons starting next week. Classes will be swimming on Monday, Tuesday and Wednesday afternoons for the next 2 weeks. In order to give our students the best possible swimming instruction, it is essential to split classes into smaller groups during the lessons. This means we really need parent volunteers to help. If you are available on these dates to assist your child's teacher, please email them, or let Mr Dodunski know.

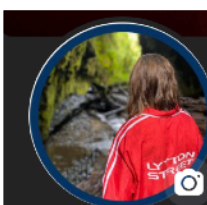

COMING UP...

Sunday 14th November - Regional Speech Competition  
Wednesday 17th November - Board Meeting  
Friday 19th November - TEACHER ONLY DAY  
Wednesday 24th November - Year 6 Leaders to Parliament, Wellington
