CROSS COUNTRY AWARDS ASSEMBLY - FRIDAY 18TH OCTOBER (11.15AM & 11.30AM)

WELCOME

A warm welcome to you all to the final term of the 2019 school year. It has been a fantastic year - one which has seen our awesome new entrant block, Te Tipu, finally become operational. This is a wonderful facility for our 5 year olds. It offers them a chance to explore through a range of contexts and learning areas. Make sure you pop in and check it out. The Board of Trustees are planning a formal opening later in the school term.

A special welcome to our crew of new entrants who have started this term in Te Tipu (listed to the right). We know you will have a fantastic time at Lytton Street. Added to this Deziah has returned to us from Whanganui, Spencer is a local lad, and Lauren has come all the way from KeriKeri. It's great to see that you have all settled in so well.

A MAGNIFICENT NEW ENTRANT FACILITY

As mentioned above our brand new half a million dollar investment in Te Tipu is now complete. This has been the result of three terms of building and a few years saving and planning on behalf of the board of trustees. The final result is incredible and we couldn't be happier. The build now showcases a block containing 5 classrooms. These are open plan in design but offer staff and students the chance to close them off. The build also has brand new furniture which complements the earthy tones of the paint work and floor coverings. Whaea Kelsi, Whaea Sammie and Whaea Lorna will be teaching in the main Te Tipu block whilst

Whaea Paige and Whaea Aimee will operate out of Rooms 9 and 10. Once again, thank you to you all for your patience whilst this renovation was underway, and thank you to our board of trustees for their vision and prudent financial management - much appreciated.

FEILDING INTERMEDIATE ENROLMENT

Feilding Intermediate held their open days last term. If your child is going to be attending in 2020 it would be great if you could complete the enrolment form. Enrolment forms are available through their school Facebook page and are easy to complete online. Thank you for your support and we wish you all the best with the decision on your child's intermediate schooling.

MT BIGGS TOUGH KIDS

A note went home this week about the Mt Biggs Tough Kids event for Year 3-6 students on Friday 22nd November. Numbers are very limited so we need to get entries in soon. If you would like your child to participate, please send the permission slip with \$8 payment to the School Office by this **Friday 18th October** at the latest. You can also pay through internet banking. Please note that Rooms 14, 15 and 20 will be on camp that day so will be unable to attend.

WINTER SPORTS

We had a huge amount of students participating in winter sports throughout Terms 2 and 3. Well done to all students involved and to the parent volunteers who helped out. Below are the award winners from Rugby, Netball and Soccer. Apologies if we have missed any names.

CLASSING 2020

It is almost that time of year when we ask parents to give consideration to their child's classroom teacher in 2020. Whilst not all requests can be met we do our absolute best to ensure our students are happy with their new peers and teachers. Next week classroom organisation will come home in the newsletter. We are happy for you to email or visit either Chris Symon, Jolie Heyward or myself with your requests. No requests will be accepted via classroom teachers.
