

Covid-19 update #2

LYTTON STREET

Monday 23rd March 2020

Dear Parents & Caregivers

As you are aware the Covid-19 situation is extremely fluid and therefore changing regularly and we are fortunate to have a proactive government.

School will close from tomorrow onwards except for those whose parents are in essential services. Essential services are those such as police, supermarkets, pharmacies, doctors and so on.

Following this school will officially close on Wednesday 25th March 2020 at midnight. There will be no schooling until further notice. Online learning books will be sent home with your children tonight. Instructions will follow shortly. If your child is absent staff will deliver online learning resources to your letterbox over the next two days.

I would like to sincerely thank you for your support and the trust you have invested in us to educate your kids and keep them safe. You are a super bunch and this is a special school.

I would like to extend my best wishes to you all and know that our thoughts are with you during this time.

Please. Follow the rules. Look after your families. Be vigilant. Be patient. And most of all be safe.

Kia kaha tātou katoa.

Yours sincerely

Ben Ward-Smith
Principal - Lytton Street School
