

LYTTON STREET

Kia ora kia tahi, kia tahi kia ora
Together, we learn to live and live to learn

FREE LUNCH - BEGINNING TOMORROW (FRIDAY)

WELCOME

A huge thank you to our wonderful community who have made the transition to Alert Level 2 a smooth one. The onus is now on us all to ensure that we maintain the standards of hygiene and social distancing in order to keep everyone safe.

A warm welcome to Zavier and Lennox who have started school in Te Tipu this week. It is great to have you both as part of the Lytton Street whānau.

AWA STUDIES - YEAR 4

Education Outside the Classroom is an important part of our school curriculum and this week our Year 4 students endeavoured to conduct an awa (river) study down at Timona Park. This included water purity tests, temperature readings, bug spotting, and environment exploring. Students were asked to gather data on a range of these things, as well as draw their surroundings. Unfortunately, the weather turned on us, only providing enough opportunity to Room 6 to complete the activities. Luckily, all Year 4 students are off for camp in a few weeks and will be able to complete some of these activities at the river near Rangiwoods.

FREE SCHOOL LUNCH

The Board of Trustees is kicking off the first free lunch tomorrow. A Google Form has been shared on both Seesaw and Facebook. A notice has also gone home to ensure no-one goes without on Friday. Please ensure this form is returned to school, or the online one completed, as soon as possible. No orders will be accepted on Friday. It is our hope that free lunches afford our parent community some relief during these uncertain times.

NZ COVID TRACER

It is important that parents and caregivers wishing to enter the school grounds download the NZ COVID Tracer app. This app records the places you visit when you scan in. The app will be used to send you notifications should a place or area you have visited come into contact with someone carrying the Covid-19 illness. Please support us to ensure we do our bit to keep this community safe.

NETBALL THIS WEEKEND

In order for Netball to go ahead this weekend a number of safety measures have been put in place. These changes have been placed on our school Facebook page and also included in a note that has been sent home with all Netball players. Please ensure you are familiar with these changes prior to attending Netball on either Friday or Saturday.

PARENTS ASSOCIATION OF LYTTON STREET SCHOOL (PALS)

PALS have their first meeting scheduled for tonight at 7pm in the school staffroom. This is a meeting for all parents who are keen to come along and work collaboratively to further develop and enhance our school. See you all there.

20/19

Thursday 20th August 2020

Together, we learn to live and live to learn

FEILDING INTERMEDIATE VISIT

All our Year 6 students will spend the morning at Feilding Intermediate School on Tuesday 1st September. Students will get a taste of classroom life and also the school's technology programme.

CUPCAKE DAY

A huge thank you to Whaea Selina and her awesome team of cup cake makers for coming to our school yesterday. Kids were treated to a plethora of cupcakes to choose from. Valuable profits from the making of these cupcakes will go to the SPCA. Whaea Selina also brought along her 20 week old puppy, Gus.

ST JOHN IN SCHOOLS

Over the next two weeks St John are in school delivering a programme to all classes which aims to provide positive learning experiences to empower children to prevent injuries and respond to emergencies. Sessions cater for specific year levels and cover the following areas:

- Identifying and describing three different emergency services
- Recognising and matching emergency scenarios with the correct service
- Demonstrating the correct way to dial 111
- Outlining appropriate responses to questions from operators when calling 111
- Demonstrating the assessment of patients using DRABC and taking appropriate actions (Year 5/6s)
- Describing appropriate responses to a variety of situations requiring first aid (Year 5/6s)

I would like to take this opportunity to thank St John for their time and dedication. In addition Michelle Marshall will be bringing a St John ambulance in next week and giving the kids a guided tour.

YEAR 4 CAMP - RANGI WOODS

A reminder that camp will be held over the week of the 31st August through to the 3rd September for all our Year 4 students.

CONTAINER CONCEPTS

A huge thank you to our friends at Container Concepts who have supported the school during the Room 16-20 classroom upgrade with the supply of containers.

Covid-19 update
