FRIDAY 27TH NOVEMBER - MOUSTACHE DAY

WELCOME
Things are certainly moving fast as we head into the final weeks of the year. The kids are having an absolute blast on their trips and teachers are making the final touches to end of year reports.

A warm welcome to Rioghnach, Jayden and Asher who have all begun in Te Tipu this week. It's great to have you here and we know you'll have the best time.

A huge thank you to all parents and whānau who have provided teacher/friend requests for their children's class in 2021. No further requests will be received from tomorrow. Once again, thank you for your input.

TE TIPU 3 TRIP
Tuesday finally arrived for the Te Tipu 3 children who were super excited to be heading off on their adventure. Many days talking about the Wildbase Recovery Centre had sparked many conversations about injured animals and how they were looked after and possibly what foods they would eat. The Wildbase Recovery Centre is definitely a must see for everyone if you get the chance. We then were able to fit in a little play at the Esplanade before heading to Te Manawa where we went and saw the Bugs Exhibition. This exhibition really incorporated the children's love for finding bugs at school with their magnifying glasses. A treat of hot chips were bought for the children and we then continued to explore the rest of Te Manawa, before we headed back to school. Thank you to all our TT3 parents who helped on the day it was truly appreciated. Author: Whaea Lorna.

TE TIPU 1 TRIP
Last Friday Te Tipu 1 were excited to head off on their class trip to visit the Whanganui Regional Museum and Kowhai Park. The day began at the museum where students were able to build upon their interest and knowledge of different animals. The exhibition 'Teeth, Talons and Taxidermy' provided several opportunities for students to see an extensive taxidermy collection. This supported them to learn more about conservation, endangered species, camouflage and habitats. Following this we had a tour of the museum and a group of students acted out 'The Battle of the Mountains' a well known Māori legend. Kowhai Park was where the day finished up with students enjoying the vast variety of playground equipment. A fantastic day was had by all and we would like to thank those that took time out of their day to support us. Author: Whaea Kelsi.

MAURI ORA E TE WHĀNAU!
On Tuesday 17th November Rooms 18, 19 & 20 went to a fantastic show at The Regent Theatre in Palmerston North. At the Matariki Glow Show, each puppet displayed their own unique glow in the dark pattern and was embellished with kōwhaiwhai patterns and other Pacifica designs. The tamariki were introduced to characters such as Te Ara (Kina), Waru (Octopus), Hiwa-i-te-rangi (Wishing star of Matariki), Hinemārama (Moon) and many other sea creatures from across Te Moana Nui a Kiwa. The story talked about being true to yourself and that it's ok to look different on the outside - "true beauty lies within". Author: Whaea Katy.

SHAVE FOR A CURE - BLAKE BRADLEY

Blake Bradley of Room 25 has raised over $850 for the Shave for a Cure foundation. On the 9th December he is planning on shaving off all of his luscious, beautiful, long hair. He has been growing his hair for the past 2 years. To help Blake raise money for leukaemia and blood cancer we are asking for a gold coin donation on our Crazy Hair Day on Wednesday 9th December. Check out the awesome photo of Blake posing as Princess Leia to the right.

HOPE FOR HOLLIE CAR WASH AND SAUSAGE SIZZLE

Seven year old Hollie needs to raise funds to get her cancer treatment in Spain. There are no further treatments available in New Zealand. The cost of the treatment is $400,000. Hollie is a relative of whānau here at Lytton Street School. If you can support Hollie, and her fundraising team that would be much appreciated. An event is being held at Repco Feilding this Saturday 21st November at 10am. You can get your car washed for $5 or purchase a $2 sausage. Thank you for your awesome support.

ROOM 12 TRIP

We could not have asked for better weather for our trip to Palmerston North. The children have been counting down the days and were very excited. Animals have been a large interest in Room 12 throughout the year, so what better way to support this interest and extend the children's knowledge than by visiting the Wildbase Recovery Centre at the Esplanade. At the centre we took part in a guided tour and explored the beautiful purpose built sanctuaries where they held a number of wonderful NZ birds. As we walked around the centre, the children were told interesting facts about the current birds needing medical attention/support. After a tour of the centre, we had a lovely picnic before heading to the Esplanade to let off some steam and complete a scavenger hunt. The children loved the experience and we all had a wonderful day! (Photo right). Author: Whaea Amanda.

FOOTLOOSE - FEILDING INTERMEDIATE SCHOOL (FIS)

All Year 5 and 6 children were treated to an impressive performance of the Footloose production yesterday put on by Feilding Intermediate School. The threat of rain meant we climbed aboard buses and shuttled to the Civic Centre in time to see a large bunch of talented young drama enthusiasts portray the characters of Ren, Ariel, Will, Reverend Shaw and Chuck. Lytton Street students were impressed with the confidence with which the main characters adopted their roles, and the teachers happily sang along to the well-known tunes! A huge congratulations to all children and staff involved in this great performance - actors, singers, dancers, front of house, lighting, sound, and the all important backstage crew.
